Ok- I am not sure about rentals but will look. I am on the phone with SWAT now and getting dates for availability to do the walk through and install.

Something we can put concrete or other solid material on to survey.  
Gravity roller conveyor...pictured below. Nothing fancy

Conveyor Belt? I must have missed that conversation. Do you have any specifications on what type of conveyor?

Hi:

Does anyone have anything to add from Friday's meeting? I received notes from Peter and Lyndsey. If not, I will incorporate into revised document to capture all of our input for the upcoming mobilization.

Thanks
